## 2. MARCH ACTIVITIES.

- Second Training Workshop for students: "Pollution, species in extinction, deforestation and loss of biodiversity". Each school will organize a training day for students around this topics. It can be taught by teachers from school or by external collaborating people.
  - In SPAIN we have done this activity with the organization "Caserío del Henares" The students of fifth grade play a game when they learn about the forest and how to take care of them. They also planted some aromatic herbs (rosemary) and oak acorns.
  - In ROMANIA this activity has been done with a Romanian NGO.
  - In GREECE they have prepared this activity on line for April.
  - In ITALY they will make the training course after Easter.
- Activity 9: Creation of a school garden. Each School will look for a place to plant seeds. The students will have to take care of the plants.
  - In SPAIN we planted on the school garden some potatoes, strawberries, beans, lettuces, raspberries... Also some groups have a plant in the classroom. Students can take care of the plant day by day.
  - ITALY, ROMANIA and GREECE are in a difficult situation with students working at home and at school. ITALY asked the principal of the school if some students can go to school to plant a tree in the school garden. Also they will try the students plant at home. ROMANIA: some students will plant at school and some at home. They will also prepare a diary of the growing plant. GREECE need to postpone this activity after Easter, when they can go to school.
- Activity 10: March 24 World Forestry Day. We celebrate the world forestry day by planting trees.
  - In SPAIN the students of one class (we can not be more due to the COVID situation) are going to make a small trip on world forestry day to the organization Caserío del Henares. They will go by bicycle to discover a less polluting way to get around and there they will work to replant trees and plant seeds for reforestation.
  - ITALY, ROMANIA and GREECE are in a difficult situation with students working at home and at school. ROMANIA are organizing that students can go in groups to school to plant on school garden. GREECE is playing an on line game with students. They will make it on different day because the 24<sup>th</sup> march is a special festival day on Greece. ITALY in this moment it is not possible to organize an activity for this day.
- Monitoring of activities. Most of this activity is done by everyone. We must remember that all the documents must be signed by the principal of each school, digital or made by hand. If it is by hand, it is necessary to scan and be sent to Tania.
- Activity 8: We receive the third letter from Dumbledore with the second clue about the cryptex key. Spain sent the letters and the presents at the beginning of March. Romania and Italy have received them. Greece is waiting.
- Upload the results of the activities of the month to Twinspace, Facebook, project website, Twitter, websites of schools, etc.

### **3. APRIL, MAY AND JUNE ACTIVITIES.**

Due to this COVID situation and the difficult conditions on Romanian, Greece and Italian schools we decided to postpone the original activities for this months. Instead of this activities we will prepare a magazine of the first year of the project.

Students will write (in their language and on English) articles, interviews, comics, crosswords, word searches, research articles, opinion articles...

Also they will prepare a picture to be the first page of the magazine. With all the pictures we can make a contest and select one for each country. And they will made some proposals to find the name of the magazine.

All the articles, pictures, names... need to be sent to Tania before the **14<sup>th</sup> June**. The magazine will be prepared during the months of July and august by Tania and Luana with the collaboration of other teaches of the project.

### **5. NEXT TEACHER'S MEETING.**

All the members agree to have the next teacher's meeting on Thursday **22<sup>nd</sup> April**, at 5:30 in the afternoon (Spanish hour) by Google Meet.
