---

## **MINUTES 4: STUDENTS AND TEACHERS MEETING OF PROJECT** **"HARRY POTTER AND THE CASE OF THE SICK EARTH"**

- **PARTICIPANTS:** teachers from Greece, Spain, Romania (teachers and students) and Italy (teachers and students). Total 40 participants.
- **DATE:** 17:30 (Spanish hour) 18 November 2020. On line meeting on "Google meet"
- **ACTION POINTS:**
  1. Test for the students virtual meeting on 3rd December.

This meeting has been a test to check the online connection of students and teachers through their google accounts.

A total of 40 people have been connected between students and teachers.

The initiative, carried out by Italy, has given good results.

Some students have introduced themselves and commented on aspects of their lives, they have also asked other teachers a question.

Given the good results of the meeting, we will think about the possibility of holding meetings more often with fewer students so that they can interact better with each other.

It will be discussed at the next meeting on November 30th.
