1. FINISH FIRST ERASMUS YEAR.

- The Spanish coordinator introduces the new principal of La Gaviota School: Sonia Reche. She is at the meeting and she is interested on the Erasmus project.
- It was a very hard year with online classes in Rumania, Greece and Italy, but despite of all the inconveniences we can manage to do all the activities, so it was a very good first year of the Erasmus project. The students are very happy and involved on the activities.

2. SEPTEMBER ACTIVITIES.

- Campaign against the use of plastic straws. We can make posters with students and place in the shops, restaurants... near school.
- Evaluation and monitoring of the project. We have to fill the activities, impact, dissemination and risk documents of Erasmus project. Tania will send the documents in an Excell file at the end of August or at the first days of September.

3. OCTOBER ACTIVITIES.

- First mobility: Romania. We all hope it can be possible. We must wait until September to know the last COVID information about Erasmus motilities.
- The criteria to select the students can be different to each schools. It is compulsory the criteria are public published so anyone can see it.
- The mobility to Romania will be from 11th October to 15th October.
- Romania team want to know the number of students and teachers that will travel. In the mobility tool it is written 4 students and 2 teachers, but if we can manage to travel with more students and/or teachers with the same budget it is better, so more people can benefit from this Erasmus.
- Both students and teachers will probably stay at a hotel. We think this can be better, because families will feel safer due to the COVID situation.
- In September Romania will send the programme of the mobility.
- We need an invitation letter for the teachers. Tania can send a model we can use.

4. ERASMUS MAGAZINE.

- Spanish team have printed the Erasmus magazine. We have "sold" the magazine at the symbolic price of one euro as a donation to a Spanish NGO in the area dedicated to caring for the environment (Association for the Recovery of Forests (ARBA) (<https://arba-s.org/>)).
- A copy of the magazine, along with Dumbledore's letter with the new mission, will be sent to each of the schools participating in the project.

5. NEXT TEACHER'S MEETING.

All the members agree to have the next teacher's meeting on Thursday **9th september**, at 5:00 in the afternoon (Spanish hour) by Google Meet.
