2. Which dissemination actions had the greatest impact? (Make a cross)							X	X	X				X	X	X			6
2.1. Why? All publications in the Facebook page, the project website and the school website allowed for the project to become known not only to our local community but also in a national level. The mobilities abroad and the welcoming events in our school played also a very important role in disseminating the message of our Erasmus+ project.																		
3. Do you want to add something else about your dissemination that is not mention yet? The Facebook page was a new tool for our school used in this project and it appears that had a great impact on the project's dissemination.

PROJECT 2020-1-ES01-KA229-081824 "HARRY POTTER AND THE CASE OF THE SICK EARTH"

## DISSEMINATION REPORT

During the second year of the Erasmus+ "Harry Potter and the Case of the Sick Earth", the 5<sup>th</sup> Primary School of Korydallos, along with the other European partners, has implemented a series of activities and mobilities. Actions for disseminating these are as follows:

- all activities were published in the school website, the project website, Twinspace of the project and Facebook page of the project,
- a solidarity market has with Erasmus+ gadgets and items has been implemented in the school premises, available for the students. This event was announced in all relevant websites. The money raised from the solidarity market was donated to WWF Hellas NGO and a relevant article was published.
- all mobilities have been published (apart from the above websites) in the eTwinning live platform, Facebook page of the Municipality of Korydallos and the website of the Greek School Network,
- the Erasmus corner has been expanded covering all the ground floor of the school, visible to all students, teachers and visitors,
- students participating in the mobilities were interviewed by their classmates and disseminated their experiences in the other students of the school,
- an Erasmus+ welcoming and farewell event was organized during the mobility in our school, thus resulting to the opening of the project in the school community,
- a visit to the Town Hall was organized during the mobility in our school, connecting the project with the local society.
